The world has lost a comedic genius in Ceasar

Ceasar

Death has deprived us of a true comedian in Sid Ceasar.

A man who proved that filth is not needed to be funny and profanity is not needed to be popular.

LETTERS TO THE EDITOR

There is a part of the dictionary that says a comedy has a happy or cheerful ending.

Our memory of his life, which just ended, leaves us with remembrances of his humor.

He left us happy and cheerful.

All hail Sid Ceasar.
