VIEWS FROM INSIDE AND OUTSIDE THE H-Z

Can't we all just get along?

In our politically divided country, common decency and courtesy to each other have been lost.

The right considers Obama to be a devil and continues to publish mean, mostly false, messages about him.

The left considers Trump to be a dufus and highlights every misstep, however insignificant.

This bashing of presidents, past and present, must stop.

In other words: you, on both sides, grow up.
